Wild dogma II: The role and implications of wild dogma for ...

We described this literature as ‘wild dogma’, and cautioned the use of deficient studies to inform dingo management. In this brief supplement, we aim to highlight the roles and implications of wild dogma for dingo/wild dog management in Australia. Like all domesticated dogs, dingoes are a derivative.

On Keeping Dogs - Timbreblue Whippets

On Keeping Dogs Last Updated Monday, 23 March 2009 19:56 sad for them and I thought all the way home about why, and whether I should. They don't know any other life, and as I said, they certainly love their owner and receive adequate care. And this breeder knows much more than I do about dogs, dog behavior, and breeding. These dogs
